SALISBURY TRANSITION CITY

## PAUSE AWHILE

Saturday Oct 15th. 3.00pm in the Secret Garden

Please join us to celebrate our changeable Autumn!

Meet at 2.50 for a 3.00pm start. Walk will take about 30mins

We have modified the format of the afternoon. We realise that some folk would just like to sit quietly or follow a blend of both walking and sitting. The choice is yours.

Please wear suitable footwear (and showerproof clothing if the forecast looks mixed) as the paths are uneven. We shall walk in whatever the weather presents us with ..... almost anyway!

We are grateful to Becky Twigg who manages the garden, for opening the garden just for us. No members of the public will be there.

Please make a donation towards the upkeep of the garden in the flower pot just inside the garden gate

Any questions please ring Jill Cheatle on 01722 411586 or 07703664918
